Re: Showroom Re-opening

To our valued customers:

We are excited to announce the re-opening of our showroom to the public. The re-opening date is scheduled for September 14, 2020. We will be open Monday-Friday 6am-4pm.

Maple Roofing Supplies asks that all Covid-19 safety measures and protocol be respected and followed:

- No mask, no entry
- Remain a minimum of two meters apart from one another
- Follow all Covid-19 signage posted regarding exit/entry doors and walkways
- Washrooms will not be available for public use
- Please follow and respect the direction of our trusted staff

Maple Roofing Supplies would like to encourage our clients to continue to place their orders by phone/email to limit foot traffic coming in and out of our showroom.

Thank you for your continued business and we look forward to seeing you!
